# SQUAReDNA

**“Customer is in our  
DNA”**

**SQAReDNA is our philosophy! And our culture!!**

At SQUARED Methods, everything we do is driven by what our customers need. SQUAReDNA is a way to drive home the point that we always focus on our customers, and we strive to ensure that customers see value in what we do.

Customer Trust is the foundation on which SQUARED Methods is built on. We will never take customer trust for granted. We must earn it, through our work, through our core values, and by delivering true business impact for our customers.
