

# Advantage!

# Commitment to Customer

At SQUARED Methods, we strive to build trust with our customers. We sincerely believe that by delivering true business impact to our customers, we will be able to gain and maintain trust; which will propel SQUARED Methods to next level, while helping our customers to achieve their business objectives.

## **SQUAReDNA**

SQUAReDNA is not just a fancy word; it is a way of life for us. It represents a philosophy that is centered on customers. Our existence depends on our customers and we are committed to deliver value to our customers. We expect highest level of integrity from our employees and contractors towards our customers. Customer is in our DNA!!
